Dear Eligible UPK Family:

The East Rochester Union Free School District is excited to announce that next year we will be offering three options for our UPK programming:

- **Full-day** UPK program (8:30 AM - 1:30 PM) (New Next Year!)
- **Half-day** program in the **morning** (8:30 AM- 11:00 AM)
- **Half-day** program in the **afternoon** program (12:00 PM - 2:30 PM)

Universal Pre-Kindergarten (UPK) is a program for four-year-olds that is available for East Rochester School District residents. UPK is a grant-funded program. UPK is funded with a grant from the state of NY. The amount of the grant has recently been expanded to allow us the opportunity to provide a full-day UPK program for eligible students.

With the addition of the full-day program, we are required to hold a UPK lottery for the 2024-25 school year. Therefore, the UPK application process for the 2024-25 school year will begin on Thursday, February 1, 2024, and run through March 15, 2024. Spots will be filled via a random lottery from applications submitted by March 15, 2024. If you are completing this after March 15, our lottery is complete and your child will be added to the waitlist. To be included in the lottery, parents/guardians must complete a registration packet and include all the required documents.

Your child will not be included in the lottery unless all forms and documents are completed by March 15, 2024. If forms and documents are submitted following March 15, your child will be placed on a waiting list.

Children born between December 2, 2019, and December 1, 2020, are eligible.

Participation in a Pre-Kindergarten program is optional for a student to be eligible for Kindergarten the following year, although it is great preparation for Kindergarten. Please be sure to use the attached checklist to ensure you have all the necessary documents to enroll your student. Completed packets may be:

- Dropped off Monday-Friday between 8:00 AM - 2:00 PM at the Single Point of Entry
- Left in the black mailbox outside the District Office, or
- Mailed to the address below;

The answer you give below will help the district determine what services you or your child may be able to receive under the McKinney-Vento Act. Students who are protected under the McKinney-Vento Act are entitled to immediate enrollment in school even if they don't have the documents normally needed, such as proof of residency, school records, immunization records, or birth certificate. Students who are protected under the McKinney-Vento Act may also be entitled to free transportation and other services.

Where is the student currently living? (Please check one box.)

- In a shelter
- With another family or other person because of loss of housing or as a result of economic hardship (sometimes referred to as "doubled-up")
- In a hotel/motel
- In a car, park, bus, train, or campsite
- Other temporary living situation (Please describe): _____
- Migratory living in circumstances described above
- In permanent housing

If the student is **NOT** living in permanent housing, proof of residency and other documents normally needed for enrollment are not required and the student is to be immediately enrolled. **After** the student has been enrolled, the district/school must contact the previous district/school attended to request the student's educational records, including immunization records, and the enrolling district's LEA liaison must help the student get any other necessary documents or immunizations.

NOTE TO SCHOOLS/LEAS: If the student is **NOT** living in permanent housing, please ensure that a Designation Form is completed.

STUDENT RACIAL AND ETHNIC INFORMATION

The U.S. Department of Education requires the collection and recording of the ethnic identity of students. The information will be used to:

- Report information to the State and federal Education Departments.
- Plan educational programs and make sure that they are readily available to all students.
- Study the movement of students in different ethnic groups as they move from school to school.
- Analyze differences in academic performance, attendance and completion of school.

This information will be kept secure and confidential in accordance with all State and federal student privacy laws and regulations. If the information requested is not provided on this form on behalf of your child, a student records officer from the school or district will be required to identify the group to which the student appears to belong, identifies with, or is regarded in the community as belonging. Thank you for your cooperation.

Student Name: _____

All students between 5 and 21 years of age have the right to a free public education. Children may not be refused admission because of race, color, creed or national origin, sex, citizenship, handicapping condition, or immigration status.

Parent/Guardian: New York State law (Chapter 281) permits schools to request a dental examination in the following grades: school entry, K, 2, 4, 7, & 10. Your child may have a dental check-up during this school year to assess his/her fitness to attend school. Please complete Section 1 and take the form to your dentist for an assessment. If your child had a dental check-up before he/she started the school, ask your dentist to fill out Section 2. Return the completed form to the school's medical director or school nurse as soon as possible.

School Name: _____ Grade _____

Have you noticed any problems that interferes with your child's ability to chew, speak or focus on school activities?

Y or N

I understand that by signing this form I am consenting for the child named above to receive a basic oral health assessment. I understand this assessment is only a limited means of evaluation to assess the student's dental health, and I would need to secure the services of a dentist in order for my child to receive a complete dental examination with x-rays if necessary to maintain good oral health.

I also understand that receiving this preliminary oral health assessment does not establish any new, ongoing or continuing doctor-patient relationship. Further, I will not hold the dentist or those performing this assessment responsible for the consequences or results should I choose NOT to follow the recommendations listed below.

Yes, The student listed above is in fit condition of dental health to permit his/her attendance at the public schools.

No, The student listed above is not in fit condition of dental health to permit his/her attendance at the public schools.

NOTE: Not in fit condition of dental health means that a condition exists that interferes with a student's ability to chew, speak or focus on school activities including pain, swelling or infection related to clinical evidence of open cavities. The designation of not in fit condition of dental health to permit attendance at the public school does not preclude the student from attending school.
