

Camp College Prep
Nazareth College
Session I: July 8 - 11
Session II: July 22 - 25

For the 25th consecutive summer, Camp College Prep will be held this July at Nazareth College. John Serafine, Principal at McQuaid Jesuit High School, and John Baynes, former English teacher at Fairport High School and Our Lady of Mercy High School, will run this program. Camp College Prep is a four-day seminar designed for current high school sophomores and juniors who are pursuing college admission. The goal of the program is to prepare students to become attractive candidates in the college admissions process.

To experience success in the college admissions process, students need to understand how this system works and what factors are valued by college admissions professionals.

The following topics will be addressed at Camp College Prep:

- SAT/ACT preparation (7 hours)
- How to write a powerful college essay (students will leave with a completed college essay)
- One-on-one college counseling
- How college admissions decisions are made (presentation from Directors of Admissions from local colleges)
- How to create a comprehensive activity resume
- Analysis of the Common Application
- How to get the most out of a college visit
- Factors to consider when choosing a college
- How to use technology in the college search process
- An overview of the financial aid system

Further information can be found at www.campcollegeprep.com or by contacting John Serafine at (585)330-0103 or by email at campcollegeprep@yahoo.com.
